Oxford Houses are self-run, self-supported homes for individuals recovering from alcohol and drug addiction. The Oxford House Program provides individuals with a substance-free living environment entirely supported by the members of the home. Financial responsibilities are handled by the residents in each house, making a cooperative measure necessary for the success of the residents. Home tasks and activities are led by an officer of each house; officers are elected by other residents of the home and serve a six-month term before another election is held. Relapse is a large concern within the Oxford House system and is taken very seriously. If at any point the majority of the residents feel as if officers or other residents have relapsed, they will be expelled from the residence. 300 Dolorosa, San Antonio, TX 78205 | (210) 335-6640 | <http://gov.bexar.org/vtc/>

Based on the successful Drug Court model, the Veterans Treatment Court serves Veterans struggling with Post Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI), addiction, mental illness and/or co-occurring disorders. The long term goal of this problem-solving court is the restoration of the veteran's quality of life and the reduction of conflicts that might lead to additional incarceration events. This goal will be accomplished by providing the veteran with the treatment and supportive services. The Veterans Treatment Court has a case management component that promotes service coordination and easier access to services such as employment, education, housing, and benefits counseling. The Bexar County Veterans

Treatment Court is the first in the County to have a pre-trial diversion component.
